QCWA HOT-LINE REPORT

MARCH THRU JULY 1992 Volume 14, No. 2

QCWA NEWS or JOURNAL ?

I recently found a number of issues of old NEWS or JOURNALS. This is not a complete collection of these publications and I feel that it should be augmented so that we obtain a complete collection which can then be bound.

My inventory takes us back to the year 1960 at which time Volume #9 was published. There must have been 8 volumes prior to that, and we do not have copies. At that time it was called QCWA NEWS LETTER. In 1968 the name was changed to The QCWA NEWS until 1978 when it was shortened to QCWA NEWS. This lasted until 1987 when it was called THE QCWA JOURNAL and then in 1989 was modified to QCWA JOURNAL.

Look at the inventory, the third column shows a possibility of four issues each year. Can you help me with some material from your collections ?

The listing to the right shows the year, the volume number, the issues that we have and the name of the publication at that time.

QSL CARDS: We have received a large number of requests for QSL Cards. Production has been good and the print shop advises us periodically as to what orders have been shipped.

T SHIRTS: Orders for T-Shirts and sweatshirts continue to be received. It was necessary to find a new source for them locally here in Eugene.

Because of the interest we have combined the QSL card material and the T-Shirt advertising into a one page flyer and it is reproduced on the 2nd page. If you need some for your Chapter or a convention let us know.
